Advt No. 02/2008-2009

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), an Autonomous Research Institution under the Department of Science and Technology, Government of India, has recently established an International Centre for Materials Science (ICMS) to promote advanced research in novel materials through in-house research, and national and international collaborations. The Centre invites applications for a Faculty position from highly motivated young researchers with Ph D and Post Doctoral experience in materials characterization. Preference will be given to candidates with experience in high resolution electron microscopy. The candidates are expected to contribute to the establishment of a research group and a national microscopy facility that will include a state-of-the-art ultra-high resolution aberration corrected STEM.

Interested researchers can send their resume to icms@jncasr.ac.in.

For any clarification please contact the In-charge Co-ordinator, ICMS, Jawaharlal Nehru Centre for Advanced Scientific Research, Jakkur, Bangalore 560 064, India.
