

**Indo-German Workshop on  
'Molecular Epidemiology of Infectious Diseases'**  
University of Hyderabad, Hyderabad, India  
November 28–30, 2008

**ORGANIZERS**

**India**

Prof. Dr Seyed E. Hasnain  
Vice-Chancellor, University of Hyderabad, Hyderabad

**Germany**

Prof. Dr h.c. Jorg Hacker  
President, Robert Koch Institute, Berlin

**Theme of the workshop**

- Presentation of emerging and re-emerging infectious diseases of Germany and India
- Designing of organizational structures for the survey of infectious diseases
- Development of protocols for molecular typing
- Creation of databases, cluster/outbreak detection methodologies, and geographical information systems

**Participation**

Forty five German and Indian invited delegates will participate in the workshop and deliver plenary lectures. The workshop will also accommodate 20 (twenty) participants from India engaged in infection biology/epidemiology research, especially,

- Mid career scientists working in National Laboratories
- Faculty in Universities/Medical Colleges
- Scientists in R&D establishments of Industries
- Postdoctoral research associates
