ASM–IUSSTF Indo-US Professorship Program

Sponsored by the Indo-US Science & Technology Forum (IUSSTF), this program is part of the International Professorship Program administered by the American Society for Microbiology (ASM). The program seeks to broaden collaboration between India and the US in the area of microbiology and allied fields with the aim to build long term partnerships.

Teaching Professorship – enables microbiologists in India and the United States to visit institutions in the other country to teach an interactive short course on a topic in any of the microbiological discipline.

Research Professorship – enables microbiologists in India to participate in an interactive short course on a topic in any of the microbiological disciplines, or conduct a research project in partnership with a colleague in a research facility in the US.

Application Submission:
- Applications must be made jointly between the applicant and the host.
- Open to ASM members and non-members alike.
- For more information and to download an application please visit: [http://www.indousstf.org](http://www.indousstf.org) or [http://www.asm.org/International/professorship](http://www.asm.org/International/professorship)

Application Deadline: 15 October 2008 (for Professorships between 1 January–30 June 2009)
