Indo-US Student Visitation Program in Physics

Indo-US Science & Technology Forum (IUSSTF) in partnership with the American Physical Society (APS) announces the APS–IUSSTF Student Visitation Awards in Physics. The objective of the visitation program is to enable physics students to gain first hand experience with each country’s scientific culture and value systems and build early career relationship between the next generation of physicists from US and India.

The Student Visitation is offered to graduate students.

**APS–IUSSTF Student Visitation Awards** – enables physics students in India and the United States to attend a short course, summer/winter school, work temporarily in a lab/field or any other opportunity that the student/professor feels is worthy of travel support.

**Award:** Will be up to US$ 3000. Up to 10 student visitation will be awarded per year.

**Submission deadline:** for Spring cycle: 31 October 2008; for Fall cycle: 31 March 2009

Program information and application details available on www.indousstf.org or http://www.aps.org/programs/international/us-india-travel.cfm

Indo-US Visiting Professorship in Physics

Indo-US Science & Technology Forum (IUSSTF) in partnership with the American Physical Society (APS) announces the APS–IUSSTF Visiting Professorship Awards in Physics for 2008–09. The objective of the Visiting Professorship is to enable physicists to build strong collaborative linkages in physics education and research between the scientific communities of US and India.

The Professorship is offered to APS members and non-members alike.

**APS–IUSSTF Professorship** – enables physicists in India and the United States to visit institution/s in each other’s country to teach an interactive short course or provide a physics lecture series (1–2 weeks) on an identified topic.

**Award:** Will be up to US$ 4000. Six professorships (3 reciprocal awards) will be awarded per year.

**Submission deadline:** for Spring cycle: 31 October 2008; for Fall cycle: 31 March 2009

Program information and application details available on www.indousstf.org or http://www.aps.org/programs/international/us-india-travel.cfm
