

# GeNei™

*Market-leading  
performance  
for an  
unbeatable  
price!!!*

Experience the simplicity of RNA Isolation  
with

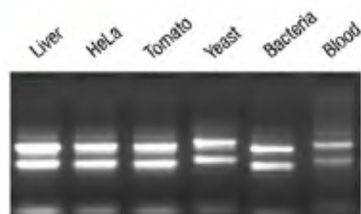

## GeneiPure™ Total RNA Isolation Kits

**Different biological samples. ...Range of RNA Isolation Kits...  
Pure and intact RNA within minutes**

### HIGHLIGHTS

- ✓ **Spin Column** technology
- ✓ **Quick and simple** procedure - recovery of **pure and intact** RNA in less than an hour
- ✓ No phenol/chloroform extraction or ethanol precipitation
- ✓ **Highly** pure RNA is obtained with  $A_{260}/A_{280}$  of 2.0-2.1
- ✓ RNA obtained is of **high quality** and can be directly used for all downstream applications

Total RNA isolated from various biological sources using GeneiPure™ Total RNA Isolation Kits

RT-PCR amplification of GAPDH gene from total RNA isolated from different biological sources using GeneiPure™ Total RNA Isolation Kit
