

S.N. Bose National Centre for Basic Sciences

Block JD, Sector III, Salt Lake, Kolkata 700 098

(Appointment of Associate Professors)

S.N. Bose National Centre for Basic Sciences, JD Block, Sector-III, Salt Lake, Kolkata 700 098, is looking for Scientists and Academics with excellent academic and research records in current areas of advanced basic sciences for appointment as permanent faculties of the Centre. The minimum qualification is a Ph D in any area of Physical, Chemical, Mathematical and Biological Sciences. The Persons whose research interests (Theoretical, Computational and Experimental areas) interface with different disciplines are strongly encouraged to apply. The selected faculties are required to pursue a vigorous research programme on topics of current interest, take part in other academic activities of the centre including teaching and supervision of Ph D dissertation and carry out duties assigned by the Director from time to time.

The centre (established in 1986) is an autonomous institution funded by the Department of Science and Technology, Government of India. The centre with a current strength of 30 faculties and 100 students have research activities (Theoretical, Computational and Experimental) in different areas of Physical, Chemical, Mathematical sciences. In recent years the centre has made significant investment to upgrade its experimental research facilities. For details on research activities and other information please see the website www.bose.res.in.

The maximum age requirement for the post is 45 years as on **7 January 2009**.

Applications in plain paper with CV, complete list of publications, a short statement of research interest and name and address of at least 3 referees should be sent to the **Dean (Faculty)** of the centre (e-mail: abhijit@bose.res.in). Candidates who have already sent their CV before need not apply again. However, they may update their CV and publication list if they so desire. Applications received after 14 January 2009 may not be considered.

The faculty appointments will be made on the following grade:

| Position | Pay band + Grade Pay per month | Approximate minimum salary per month | Years of research experience after Ph D |
|---------------------|-----------------------------------|---|--|
| Associate Professor | 37,400–67,000 + 8700 | 71,018 | 5 years |

For candidates with exceptional publication record the experience can be relaxed by the selection committee.

CALL FOR PROPOSALS CRITICAL ECOSYSTEM PARTNERSHIP FUND (CEPF) & ASHOKA TRUST for RESEARCH in ECOLOGY and the ENVIRONMENT (ATREE) http://www.atree.org/CEPF_WGhats/

CEPF and the Western Ghats Regional Implementation Team (RIT) based in ATREE, Bangalore, invite Letters of Inquiry (LoIs) from civil society organizations such as non-governmental organizations, community-based organizations, academic institutions and private enterprises for biodiversity conservation projects in the Western Ghats. Applicants are expected to have adequate experience in implementing biodiversity conservation projects in the Western Ghats region of India.
