Opportunities in the Center for Infrastructure, Sustainable Transportation and Urban Planning (C/STUP), Indian Institute of Science, Bangalore

The Institute welcomes applications from Indian nationals who are highly motivated with excellent academic record for Lecturers/Assistant Professors and above. Visit IISc website (http://www.iisc.ernet.in/content_oppfacposopenadvt.html or http://civil.iisc.ernet.in/) for details of qualifications, salary structure, and preparation of application. The field of expertise of the candidate could be in the broad areas of transportation and traffic engineering, infrastructure, urban development and planning. Interested candidates may send their CV including a complete list of publications and names of six to eight referees by e-mail to: cistup@civil.iisc.ernet.in.
