United States-India Educational Foundation (USIEF) Fellowships for Indian citizens’ study, research, teaching and professional development in the United States of America

- **FULBRIGHT-NEHRU DOCTORAL AND PROFESSIONAL RESEARCH FELLOWSHIPS**: These pre-doctoral level research fellowships, for a maximum period of nine months, are designed for scholars who are registered for a Ph.D. at an Indian institution and also for professionals with significant work experience and accomplishments.

- **FULBRIGHT-NEHRU SENIOR RESEARCH FELLOWSHIPS**: For faculty and professionals from all disciplines who have a Ph.D. or equivalent published work. These fellowships, for a duration of up to eight months, aim to provide opportunity to do research on contemporary issues and concerns to contribute to the creation of knowledge.

- **FULBRIGHT-NEHRU VISITING LECTURER FELLOWSHIPS**: For faculty and professionals from all disciplines who have a Ph.D. or equivalent published work. These fellowships, for four months, contribute to internationalization of the curriculum at the US host institutions and understanding of recent developments in India.

  *Applications from all disciplines will be considered. Preferred fields are: Agricultural Sciences; Business Studies, Management and Leadership Development; Economics; Education; Energy, especially alternative and renewable energy; Environment; Governance and Democracy; Law and Civic Engagement; Media and Communications; Public Administration; Public Health; Science and Technology; Society and Development; Study of India; and Study of the United States.

- **FULBRIGHT-NEHRU MASTER'S FELLOWSHIPS** for LEADERSHIP DEVELOPMENT: For outstanding individuals who demonstrate leadership qualities; have completed the equivalent of a U.S. bachelor's degree; and have at least three years of professional or work experience; to pursue a master's degree program at select U.S. colleges and universities in the areas of Business Administration; Communication Studies; Economics; Environment; and Public Administration.

- **HUBERT H. HUMPHREY FELLOWSHIPS**: For mid-level policy planners and administrators in the government, public and private sectors, and NGOs for professional development in the fields of Agriculture & Rural Development; Communications/Journalism; Substance Abuse; Economic Development; Finance and Banking; Educational Administration; HIV/AIDS Policy and Prevention; Human Resource Management; Law and Human Rights; Natural Resources and Environmental Management; Public Health; Public Policy and Public Administration; Teacher Training or Curriculum Development; Technology Policy and Management; Trafficking in Persons; Urban and Regional Planning.

- **FULBRIGHT-NEHRU ENVIRONMENTAL LEADERSHIP PROGRAM**: For mid-level Indian environment professionals in public/private sector or non-governmental organizations for up to four months in the fields of Environmental Information/Systems Reporting; Environmental Education; Environmental Policy, Regulations and Law; Environmental Sciences and Toxicology; and Environmental Management.

- **FULBRIGHT TEACHER EXCHANGE PROGRAM**: For Indian secondary school teachers (9th to 12th grades) of English; Mathematics; or Science to participate in direct exchange of positions with U.S. teachers for a semester.

- **FULBRIGHT FOREIGN LANGUAGE TEACHING ASSISTANT PROGRAM (FLT)**: For scholars between 21 and 29 years of age with a Master’s degree in English. Selected FLTAs from India will teach Bengali; Gujarati; Hindi; or Urdu at select U.S. campuses during their nine month non-degree grant.

- **INTERNATIONAL FULBRIGHT SCIENCE AND TECHNOLOGY AWARD**: For outstanding individuals who have completed an equivalent of a U.S. bachelor's degree from a recognized Indian university to pursue Ph.D. in Aeronautics & Astronautics/Aeronautical Engineering; Agriculture; Astronomy/Planetary Sciences; Biology; Biomedical Engineering; Chemistry; Computer Sciences; Energy; Engineering (electrical, chemical, civil, mechanical, ocean, and petroleum); Environmental Science/Engineering; Geology and Atmospheric Sciences; Information Sciences and Systems; Materials Science; Mathematics; Neuroscience/Brain and Cognitive Sciences; Oceanography; Public Health and Physics at a top U.S. institution.

Due dates for submission of 2010-2011 Fulbright applications begin May 1, 2009. For complete details on the fellowship programs and downloadable application material, visit USIEF’s website www.usief.org.in. For any queries, e-mail to: isl@fulbright-india.org.
