Academic Positions for Mathematical Olympiad Programme
Advt. No. 2/2009

Homi Bhabha Centre for Science Education (HBCSE) invites applications for academic positions in its Mathematical Olympiad group at Mumbai.

HBCSE is the nodal centre of the country for operating the Mathematical Olympiad programme that leads to participation of Indian teams in International Mathematical Olympiad every year. The programme is carried out under the aegis of the National Board of Higher Mathematics, Department of Atomic Energy. The Centre is looking for competent and dedicated young people to strengthen its mathematical Olympiad and related activities.

Ideally the candidate will be a young Ph.D. in mathematics with strong interest and ability in (a) solving and designing mathematical Olympiad problems and (b) in teaching at Olympiad orientation camps for students and teachers.

Interested candidates should write to the **Centre Director, Homi Bhabha Centre for Science Education (HBCSE), TIFR, V.N. Purav Marg, Mankhurd, Mumbai 400 088**, enclosing their CV and names of at least three referees. Applications will be reviewed periodically and short-listed candidates may be called to HBCSE for seminar and discussion with the faculty.

Positions may be offered for a period of five years in the first instance, followed by continuing appointment subject to satisfactory performance, in the regular grades: Fellow (E) (Rs 12,000–375–16,500), Reader (F) (Rs 14,300–400–18,300), or in the higher grades of the Institute, as appropriate. These grades are expected to be revised consequent to the recommendations of the Sixth Pay Commission.

For more information about HBCSE and the Mathematical Olympiad Programme, kindly refer to the website: www.hbcse.tifr.res.in
