

**Department of Biotechnology
School of Bioengineering,
SRM University,
Kattankulathur, Chennai 603 203**

Applications are invited for the position of Junior Research Fellow and Project Assistant for the project titled '**Dietary Intakes of Naturally Occurring Actinides and Rare Earths in High Radiation Background Area of Manavalakkurichi in Tamil Nadu**' funded by Board of Research in Nuclear Sciences (BRNS), Mumbai. The appointment will be for three years till the end of the project.

Junior Research Fellow: One post

Qualifications: B.E., B.Tech., M.Tech., M.Sc. in Biotechnology, Biochemistry, Food Science and Nutrition. Minimum 60% (First Class) marks.

JRF Scale: Rs 12,000 (consolidated) + HRA as per BRNS norms.

Possibilities are available for Ph.D. registration.

Project Assistant: One post

Project Assistant: Rs 5000 (consolidated)

Qualifications: B.Sc., M.Sc. in Biotechnology, Biochemistry, Food Science and Nutrition

Age: Below 35 years

Candidates with practical experience in the areas of food sample collection and analysis, radionuclides and heavy metal analysis and knowledge of computer applications are preferred. Candidates may send a copy of the application to the **Registrar**, SRM University, Kattankulathur, Chennai 603 203 with in **15 days** of this advertisement along with the copies of their certificates and two reference letters; superscribing the project title on the envelope. Send a soft copy to kanthad.arunachalam@gmail.com

Selected candidates must join as early as possible and be willing to travel for sample collection and analysis during the study period. No TA/DA will be paid for attending the interview.
