Department of Biochemistry

Application on plain paper in standard format is invited for filling up ONE post of Junior Research Fellow (JRF) to work on a BRNS, DAE sponsored project titled ‘Biodosimetry studies using cytogenetic and gene expression profiles in human peripheral blood lymphocytes exposed to gamma radiation ex vivo’. The purely temporary post is tenable for a period of three years only (3rd year as a Senior Research Fellow (SRF) upon satisfactory progress of work). Fellowship of Rs 12,000 (JRF)/Rs 14,000 (SRF) per month plus HRA, medical as per rules shall be admissible to the appointee.

Applicant should be M.Sc. in Biochemistry or cognate subjects (minimum of 55% marks) with good academic records and some experience of animal cell culture and molecular biology/biotechnology techniques. Application giving all academic and contact (including e-mail ID and mobile/landline telephone, etc.) details with supporting documents should reach the PI on the address given below within three weeks from the date of the advertisement. Eligible applicants shall be called for interview on a date to be notified. No TA/DA shall be paid to candidates called for interview.
