

Department of Earth Sciences Pondicherry University, Pondicherry

Applications are invited for the one Junior Research Fellow (JRF) position, purely temporary, in the BRNS Project entitled '**Geochronological studies on uranium mineralization and host granitoids in parts of South India using $^{233}\text{U}/^{236}\text{U}$ Isotope tracer solution**'.

1. *Essential qualification:* M.Sc. in Geology/Applied Geology/Marine Geology with minimum 55% marks. Preference will be given to CSIR-UGC NET/GATE qualified candidates.
2. *Desirable:* Experience in the field of Petrology/Geochemistry/Isotope geochemistry
3. *Emoluments:* Rs 12,000 pm

The fellowship is for three years or termination of the project, whichever is earlier. Application on plain paper along with complete bio-data should reach: **Prof. S. Balakrishnan**, Department of Earth Sciences, Pondicherry University, Pondicherry 605 014 on or before **22 July 2009**. e-mail: sbala.esc@pondiuni.edu.in; website: <http://www.pondiuni.edu.in>

Human Resource Development Group Council of Scientific and Industrial Research

CSIR invites Research Proposals in Mathematical Sciences

Research proposals are invited under the Extramural Research programme in Mathematical Sciences from researchers working in Universities, colleges, R&D Institutions, and Institutes of National Importance. Mathematical sciences are defined broadly and will cover Pure and Applied Mathematics, Statistics, Operations Research, Theoretical Computer and Computational Sciences as well as emerging applications of these areas to problems in physical, biological, engineering and social sciences.

The proposal should be submitted in the prescribed proforma (Form 'C' and 'C1') available at the HRDG website (<http://www.csirhrdg.res.in>). The proposal may be sent to **Head**, Human Resource Development Group, CSIR Complex, Library Avenue, Pusa, New Delhi 110 012.

ANNAMALAI UNIVERSITY

Department of Botany (UGC-SAP & DST-FIST Sponsored Department)

Applications on plain paper are invited for the post of Two Junior Research Fellows to work in the Department of Biotechnology Major Research Project entitled '**Conservation, propagation and genetic variations of three RET mangrove species of Pichavaram Mangroves, Tamil Nadu**'.

Qualifications: M.Sc. Botany with a minimum of 55% marks.

Emoluments: Rs 12,000 + HRA (First two years)
Rs 14,000 + HRA (Third year)

Duration of the project: 3 years

Duly completed applications along with copies of all relevant documents should reach **within 15 days** from the date of advertisement to

Prof. R. Panneerselvam
Principal Investigator – DBT Research project
Professor and Head
