

Indian Institute of Technology Roorkee

No. MIED/KM/4549

Dated 13 August 2009

Applications are invited on plain paper for the posts of Research Associate (RA) and Senior Research Fellow (SRF) to work in a research project titled '**Numerical and Experimental Investigation of Thermo-Hydro-Mechanical Behavior of High Performance Concrete Exposed to Fire**' funded by Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy (DAE), Government of India in Mechanical and Industrial Engineering Department of Indian Institute of Technology Roorkee, Roorkee 247 667, Uttarakhand. The eligible criteria and other details are as follows:

Position	Essential qualification	Fellowship per month
Research Associate	I Class in M.Tech. in Mechanical Engineering with specialization in Thermal Engg. with 2 years experience. Age limit 35	Rs 16,000
Senior Research Fellow	I Class in M.Tech. in Civil Engineering with specialization in Structural Engg. Age limit 32	Rs 14,000 (1st and 2nd year) Rs 15,000 (3rd year)

A relaxation in the age limit by 3 years for OBC and 5 years for SC/ST candidates for both the posts will be considered on production of relevant documents.

Interested candidates can send their application along with resume and copies of relevant documents to Head, Mechanical and Industrial Engineering Department, Indian Institute of Technology Roorkee, Roorkee 247 667, Uttarakhand. The last date for accepting the application at the above address is 5 pm, **15 September 2009**. Please mention on the cover 'Application for the post of SRF/RA for BRNS-DAE Project with Dr K. Murugesan'. The selection will be made on the basis of a personal interview and the date of interview will be communicated to the shortlisted applicants later. No TA/DA will be paid to the candidates if called for interview or joining the post.

Dr K. Murugesan

Principal Investigator

Asst. Professor, Mech. and Ind. Engg. Dept., IIT Roorkee
