Invites
Applications for the Post of

DIRECTOR

for the National Institute of Biomedical Genomics, Kalyani, West Bengal (India)

Applications are invited from the Indian Nationals for the post of Director, National Institute of Biomedical Genomics (NIBMG), an autonomous institution of Department of Biotechnology, Kalyani, West Bengal. NIBMG has been established by the Government to promote concerted and focused efforts in conducting research, translation, capacity-building and service in biomedical genomics with the vision to enhance knowledge on human health and disease through genomics and translate the knowledge using appropriate technologies for promotion of well-being and improvement of genetics-based health care. Detailed information about the institute is available at <http://www.dbtindia.nic.in>.

The position offers a unique opportunity to provide dynamic leadership in academic, scientific and administrative matters relating to various areas of interest of the institute. The applicant must have a holistic vision of Biomedical Genomics and be capable of providing leadership in various interdisciplinary areas of Biomedical Genomics such as Statistical and Computational Biology, Proteomics, Genomics, Population Science, etc.

Eligibility requirements

The candidate should possess: (1) Ph.D., M.D. or Equivalent Degree in the relevant area. (2) Outstanding scientific and academic credentials in the area of Biomedical Genomics as evidenced through proven ability to carry out independent research and provide leadership for research in interdisciplinary areas of Biomedical Genomics. (3) At least 20 years of experience in Biomedical Genomics with proven track record of leadership and institution building.

Pay scale

The post carries pay scale of Rs 80,000 (fixed) plus usual allowances and other benefits as per Government of India Rules.

Tenure

The appointment will be initially on contract for a period of 5 years, which may be extended further with the approval of the Competent Authority.

How to apply

Interested candidates may submit five copies of their current curriculum vitae incorporating academic qualifications/credentials, professional and research experience, publications and patents details, alongwith a brief write-up (500 words) on the candidate's plans and vision for NIBMG to: **S. Sinha**, Adviser, Medical Biotechnology Division-II, Department of Biotechnology, Ministry of Science & Technology, Block No. 2, 8th Floor, CGO Complex, Lodhi Road, New Delhi 110 003, India, super-scribing the cover '**Application for the Post of Director, NIBMG**', latest by **20 October 2009**. A softcopy of the application should also be forwarded to nibmg.dbt.knwb@gmail.com.

Nomination by eminent scientists/experts for this position will also be encouraged essentially following the stipulated guidelines and procedures as explained above.
