Indo-US Student Visitation Program in Physics

Indo-US Science and Technology Forum (IUSSTF) in partnership with the American Society for Physics (APS) announces the **APS-IUSSTF Student Visitation Awards in Physics**. The objective of the visitation program is to enable physics students to gain first hand experience with each country’s scientific culture and value systems and build early career relationship between the next generation of physicists from US and India.

The Student Visitation is offered to undergraduate and graduate students.

**APS-IUSSTF Student Visitation Awards** – enables physics students in India and the United States to attend a short course, summer/winter school, work temporarily in a lab/field or any other opportunity that the student and host professor feels is worthy of travel support.

**Award** – will be up to US$ 3000

**Submission deadline** – 15 October 2009

Program information and application details available on [www.indousstf.org](http://www.indousstf.org) or [http://www.aps.org/programs/international/us-india-travel.cfm](http://www.aps.org/programs/international/us-india-travel.cfm)

Indo-US Visiting Professorship in Physics

Indo-US Science and Technology Forum (IUSSTF) in partnership with the American Society for Physics (APS) announces the **APS-IUSSTF Visiting Professorship Awards in Physics**. The objective of the Visiting Professorship is to enable physicists to build strong collaborative linkages in physics education and research between the scientific communities of US and India.

The Professorship is offered to APS members and non-members alike.

**APS-IUSSTF Professorship** – enables physicists in India and the United States to visit institution/s in each other’s country to teach an interactive short course or provide a physics lecture series (1–2 weeks) on an identified topic.

**Award** – will be up to US$ 4000

**Submission deadline** – 15 October 2009

Program information and application details available on [www.indousstf.org](http://www.indousstf.org) or [http://www.aps.org/programs/international/us-india-travel.cfm](http://www.aps.org/programs/international/us-india-travel.cfm)
