Centre for Earth Sciences
Indian Institute of Science, Bangalore 560 012, India

Faculty Positions

The Centre for Earth Sciences, IISc, invites applications for faculty positions from motivated individuals with an established record of independent, high quality research and commitment to teaching. The Centre is presently about two years old and its proposal entitled Research, Education, and Manpower Development in the Discipline of Earth Processes has recently been funded by the Ministry of Earth Sciences (MoES), Government of India. Over a span of the next five years, the proposal aims to establish laboratory and research facilities in the core areas of earth sciences and to launch an M.Tech. programme in earth sciences. The Centre is interested in candidates with specialization in geomorphology, structural geology, sedimentology, geophysics, geochemistry, hydrogeology or computational methods. Candidates with specialization in other areas of earth science are also encouraged to apply. The successful candidates are expected to establish independent research groups, develop graduate level courses, initiate multi-disciplinary research activities, and to contribute to the implementation of the MoES funded project. The Centre prefers applications at Assistant Professor’s level; candidates who have made outstanding research contributions and are experienced in research guidance and teaching may also apply for higher positions.

Please visit http://ceas.iisc.ernet.in for more information about the Centre and http://www.iisc.ernet.in/content_facultyinfohowtoapply.html for details of submission of applications. Chairman, Centre for Earth Sciences is accessible at chairman@ceas.iisc.ernet.in for receiving applications and for informal enquiries.

Indian Institute of Science Education and Research PUNE

(An Autonomous Institution under Ministry of HRD, Govt of India)
Central Tower, Sai Trinity Building, Sutarwadi Road, Pashan, Pune 411 021

Indian Institute of Science Education and Research (IISER) Pune, is a premier autonomous institution established by the Ministry of Human Resource Development, Government of India, for promotion of high quality science education and research in the country.

The Institute invites applications from Indian nationals for the post of ‘Junior Research Fellow’ and ‘Project Assistant Level-II’ under the research project titled ‘Nano Science Unit at IISER Pune’ funded by Department of Science and Technology, Govt of India.
