P.D. Patel Institute of Applied Sciences
Charotar University of Science and Technology
Education Campus, Changa 388 421, Gujarat, India
(Phone: 02697-248 202, Fax: 02697-247 100; e-mail: rvu.as@ecchanga.ac.in)

Applications are invited from Indian nationals for the position of JRF under the project entitled ‘Synthesis of nano-magnetorheological fluids and study its magneto-viscous properties using field induced rheological and small angle neutron scattering techniques’ sponsored by Board of Research in Nuclear Sciences (BRNS), Bhabha Atomic Research Centre (BARC), Trombay, Mumbai 400 085.

Prescribed qualification:

JRF:
M.Sc. in Physics with good academic record (first class in B.Sc. and M.Sc.).
NET/JRF test qualified (preferable).
(Students who are in M.Sc. final year can also apply.)

Fellowship: Rs 12,000 p.m.

Application including bio-data should be sent to the Principal Investigator, BRNS-Project, P.D. Patel Institute of Applied Sciences, Charotar University of Science and Technology, Education Campus, Changa 388 421, India, within 30 days from the date of publication of this advertisement.

UGC-Networking Resource Centre
Summer-2010 Teacher/Researcher Training Workshop in Biological Sciences at Indian Institute of Science

Applications from teachers and researchers from university and affiliated institutions are invited to the First Summer-2010 Workshop in Biological Sciences being held during 1–21 April 2010 at Indian Institute of Science. The workshop consists of theory classes in basic and contemporary topics in various disciplines in biological sciences and hands-on training on recombinant and general laboratory techniques. Applicants should send a brief bio-data including a paragraph on current research being carried out and list of publications if any to the coordinator of the UGC Networking Centre. Since the number of seats is limited, preference will be given to those who are engaged in teaching and research. Boarding and lodging will be arranged at the Institute, and travel expenses by train, according to the Institute guidelines, will be reimbursed by the UGC-NRC. For more information, you are advised to visit the UGC Networking Centre website at http://mcbl.iisc.ernet.in/UGC/. You may contact us at the address UGC-NRC-DBS, Department of Microbiology and Cell Biology, Indian Institute of Science, Bangalore 560 012, and send applications to the Coordinator at the e-mail address: ugc-nrc-dbs@mcbl.iisc.ernet.in. The last date for receiving applications is 10 February 2010. Candidates pursuing M.Sc. degree are not eligible.
