S.N. Bose National Centre for Basic Sciences  
Sector III, Block-JD, Salt Lake, Kolkata 700 098

Admission 2010

The S.N. Bose National Centre for Basic Sciences, a premier research institution engaged in advanced scientific research in frontier areas, and funded by the Department of Science and Technology, Govt of India, invites motivated students to apply for its residential Post B.Sc. and Post-M.Sc.–Ph.D. programmes 2010.

Post-M.Sc.–Ph.D. programme 2010

Qualification: M.Sc. in Physics/Physical Chemistry/Mathematics/Biophysics/Biochemistry/Bioinformatics with at least 55% marks (completed or appearing). B.E./B.Tech. or M.E./M.Tech. students with relevant background may also apply.

INSPIRE (SHE): The successful candidates under INSPIRE-SHE (DST, Government of India) Scholarship are welcome.

Interview: The candidates will be called for an interview during 28–29 April and 9–10 June 2010 at SNBNCBS based on their JEST/GATE score of 2010, and/or CSIR-UGC-NET (JRF/LS) qualification.

Monthly stipend: JRF – Rs 12,000; SRF – Rs 14,000 and other benefits based on satisfactory performance.

Application deadline: 29 March 2010

Post-B.Sc. Integrated Ph.D. Programme in Physical Sciences 2010

Qualification: B.Sc. in Physics (Honours or Major) with Mathematics and any other Science subject (or similar combination without Honours, if Honours was not available) with at least 55% marks (completed or appearing). B.E./B.Tech. with relevant background may also apply.

INSPIRE (SHE): The successful candidates under INSPIRE-SHE (DST, Government of India) Scholarship are welcome.

Eligibility for interview: Score in JEST/NGPE – 2010 or any Standard National Eligibility Test (the score may be provided later if not available before the deadline).

Interview of shortlisted candidates: On 27 April and 8 June 2010 at SNBNCBS.

Monthly stipend: Rs 9000 for selected students in the first two years, then upgraded to CSIR (JRF) scale based on satisfactory performance and completion of M.Sc. degree.

Residential programme: The Integrated Research Programme is a residential programme all through, and the Centre will provide hostel facility.

Application deadline: 29 March 2010

The candidates are encouraged to submit their applications online. The details on admission and online application forms are available at: http://www.bose.res.in/admission.htm
