NATIONAL INSTITUTE OF BIOMEDICAL GENOMICS
Kalyani, West Bengal
An autonomous institution established under the aegis of
Department of Biotechnology, Government of India

POSITIONS OPEN

(1) **Associate Director:** Should have broad scientific expertise in human genomics and a
commitment to genomics-based health care. The Associate Director will assist the Director in esta-
blishing scientific programmes, recruiting faculty members and developing scientific collaborations.

**Salary scale:** Rs 37,400–67,000 (Grade Pay: Rs 12,000)

(2) **Faculty positions at the levels of Assistant Professor, Associate Professor and Professor:**
Must have a strong potential for creative research in molecular and genomic approaches aimed at
understanding human disease and/or translation of molecular and genomic findings on human disease
to clinical practice. Applicants must also have a strong interest in imparting training in human genetics.
Publications in leading human genetics journals are required.

**Salary scales:**

- **Assistant Professor** : Rs 15,600–39,100 (Grade Pay: Rs 7600)
- **Associate Professor** : Rs 37,400–67,000 (Grade Pay: Rs 8900)
- **Professor** : Rs 37,400–67,000 (Grade Pay: Rs 10,000)

(3) **Fellows:** Should possess Ph.D., M.D., with an outstanding academic track record.

**Fellowship:** Rs 75,000 per month and a contingency grant of Rs 500,000 per annum

(4) **Contractual positions** under the International Cancer Genome Consortium-India Project

- **(4.1) Technical Assistant** (Consolidated pay range: Rs 10,000–15,000 per month)
- **(4.2) Technical Specialists** (Consolidated pay range: Rs 18,000–25,000 per month)
- **(4.3) Senior Technical Specialists** (Consolidated pay range: Rs 20,000–30,000 per month)
- **(4.4) Data Analysts** (Consolidated pay range: Rs 18,000–25,000 per month)
- **(4.5) Senior Data Analyst** (Consolidated pay range: Rs 20,000–30,000 per month)
- **(4.6) Database and Systems Manager** (Consolidated pay range: Rs 30,000–40,000 per month)
- **(4.7) Project Managers** (Consolidated pay: Rs 70,000 per month)
