B.V. Pharmaceutical Education and Research Development
(PERD) Centre, Ahmedabad

Invites applications/nominations for

DIRECTOR

PERD centre has been established in 1990 by Indian Pharmaceutical Association (IPA), consortium of pharma companies and Government of Gujarat. PERD Centre which is grant-in-aid institution of Gujarat Government is the first pharma institute dedicated for research and higher education in India. It conducts PhD program and undertakes industry as well as Government sponsored research projects. Since 2007, PERD is also mentor institute for NIPER-Ahmedabad and runs its program from PERD campus. Further details about PERD Centre can be obtained from www.perdcentre.com

The incumbent should be an eminent scientist with a basic pharmacy qualification, with a recognized standing in the national and international academic, scientific, industrial and professional community. The position requires a person of vision, dedication and high integrity, with sufficient research and administrative experience to oversee the academic, research and administrative activities of a multifaceted and multidisciplinary postgraduate pharmaceutical research institute.
