Research Positions

Applications are invited for the following temporary positions under BRNS project entitled ‘Development of a phase imaging experimental station for microimaging applications in material science and medical imaging of soft tissues and its integration, installation and commissioning on the imaging beamline on INDUS-II’. The duration of the project is initially for a period of three years. This project will be carried out as collaboration between the experts from UGC-DAE CSR, Indore and BARC, Mumbai. For any clarifications, contact Dr T. Shripathi (shri@csr.ernet.in).

There are four positions – 2 Research Associates and one each JRF and SRF. For minimum qualifications and fellowships, visit the website www.csr.ernet.in.

Interested candidates should apply with CV, passport photograph and photocopy of relevant documents. The envelope containing the application must be super-scribed with ‘Application for Research Position’ and to be addressed to Dr T. Shripathi, UGC-DAE Consortium for Scientific Research, University Campus, Khandwa Road, Indore 452 001. Last date for submission of application is 28 May 2010. Candidates called for interview will be reimbursed to and fro travelling expenses restricted to sleeper class rail fare from their place of residence in India to Indore by shortest route.
