Advt. No.23/8(1)/2010/HRI/R&D-II/3957 dated 27.04.2010

The Department of Atomic Energy (DAE) is looking for an eminent scientist of international repute for appointment as Director in Harish-Chandra Research Institute (HRI), Allahabad.

The institute:

HRI is a premier Institute dedicated to high level theoretical basic research in mathematical and physical sciences. It is a grant in aid autonomous institution under DAE and is widely recognized for its excellence in scientific research. The Institute has major programmes in several areas in mathematics including number theory, and in astrophysics, condensed matter physics, particle, physics, quantum information, and string theory.

The job/responsibilities:

Director, HRI should be an eminent scientist/mathematician of international repute who can command respect of peers both within and outside the Institute. He/she will be the Chief Executive of the Institute and would be accountable to the Governing Council of the Institute. He/she would be responsible for all the activities of the Institute in the pursuit of its goals and objectives. He/she would be required to closely co-ordinate with other constituent units of the DAE and other Government Departments, Educational Institutions, etc., in the execution of the Institute's projects and contracts.

The person:

HRI requires a person of outstanding professional competence and proven managerial ability. He/she should possess the necessary capabilities for management of the institution including its scientific programmes, research infrastructure, personnel management, financial management and project management. He/she should have the required conceptual ability and qualities of leadership to direct a multi-disciplinary team to achieve the objectives of the Institute.

Pay scale:

The post of Director, HRI carries pay in the HAG + Scale of Rs 67,000 – (annual increment @ 3%) – 79,000.

Date of occurrence of vacancy: 19 July 2010.

Eligibility:

(a) Age: On the date of occurrence of vacancy – minimum 45 years.

(b) Qualification: The applicant should possess a Ph.D. with brilliant academic record. It would be preferable that he/she should be a Fellow of premier science academies of India such as the Indian Academy of Sciences, Bengaluru, the Indian National Science Academy, New Delhi and the National Academy of Sciences, Allahabad. He/she should possess very high quality track record both nationally and internationally. He/she should have leadership qualities and management experience in order to be able to direct HRI. He/she should possess adequate experience in management.

Duration of appointment:

The appointment shall be for a period of five years OR up to the date of superannuation (i.e. 60 years of age) whichever is earlier.

Submission of application:

Prospective candidates may submit the application in the prescribed format along with a write up on the significant contribution made by them during the present/past assignments to **Deputy Secretary**, Secretary's Office, Department of Atomic Energy, Anushakti Bhavan, C.S.M. Marg, Mumbai 400 001. Last date for receipt of application is **31 May 2010**.

In addition to the applications to be received in response to this advertisement, the Search-cum-Selection Committee constituted by the Department on the recommendations of the Governing Council of HRI would be free to consider applications received or those identified by it in the search mode.
