

**Centre for Environment Management of Degraded Ecosystems (CEMDE)
University of Delhi, Delhi 110 007**

WORKSHOP ON BIOSYSTEMATICS

Applications along with a brief CV on plain paper are invited for a ten-day workshop on **Biosystematics** to be held at CEMDE from 6 to 15 September 2010. The workshop will include lectures and practicals covering a wide range of topics. The faculty include international experts who will come to India to participate the IX Conference on International Organization of Plant Biosystematics to be held on 2–4 September 2010 in India.

Ph.D. Scholars, Post-doctoral Fellows, University and College Teachers, Scientists working in National Institutes and Government and Non-government Organizations are eligible to apply.

APPLICATION FORMAT

(Please attach a brief Curriculum Vitae including list of publications, if any)

Name :

Address :

Age : Male/Female:

Phone/Fax/e-mail :

Qualifications and Field of Specialization :

University/Organization :

Participant's Declaration : I shall fully involve myself in all the activities of workshop during its tenure.

Date:

Place: Signature of Participant

Recommendation of Supervisor/Head of the Department (Please state the suitability of the candidate to the workshop and its utility to the Organization)

Date: Signature & Seal

Place: Supervisor/Head of the Department

Last date of receipt of application: 20 July 2010
(Only shortlisted candidates will be contacted) e-mail: cemde1@yahoo.com

Selected candidates will be entitled for TA and free local hospitality (lodging and boarding) will be provided for the entire duration of the course.

All communications should be addressed to: **The Convener**, Workshop on 'Biosystematics', Centre for Environmental Management of Degraded Ecosystems (CEMDE), Mall Road, University of Delhi, Delhi 110 007

Annamalai University

Applications are invited for the posts of one Research Scientist and one Senior Research Fellow (SRF) for the project entitled '**Oil Spill Modelling**' funded by the Ministry of Earth Science (MoES), Govt of India.

Pay scale: Research Scientist Rs 36,000 p.m.; For SRF Rs 14,000 + HRA per month.

Qualification and experience

For Project Scientist: M.Sc. in Oceanography/Marine Science/Geology/Mathematics or M.E./M.Tech. in Remote Sensing/Environmental Engineering or related branch of Engineering in I class with 3 years of experience or Ph.D. in Science relating to Marine Science and Technology with 1 year of experience in GIS and mathematical modelling application for coastal process and hazards mapping. Knowledge of MIKE-21 and ARC-GIS software for coastal applications will be added advantage.

For Senior Research Fellow: M.Sc. or M.Tech., in Geo Informatics/Remote Sensing/Marine Sciences/Oceanography/related subject with at least 55% marks with 2 years of research experience in GIS/Mathematical Modelling for Coastal and Marine Environment relevant field of project.

How to apply: Application on a plain paper with full bio-data, qualifications, research experience, etc. supported by attested documents should reach **within 15 days** of this advertisement to **Dr T. Balasubramanian**, Director and P.I., CAS in Marine Biology, Annamalai University, Parangipettai 608 502; e-mail: stbcas@nics.in

Note: (1) The posts are purely temporary, co-terminus with the project.
(2) No TA/DA will be paid if called for an interview.
