

INSTITUTE OF BIOINFORMATICS AND APPLIED BIOTECHNOLOGY

Biotech Park, Electronic city, Phase I, Bangalore-560 100, Karnataka. www.ibab.ac.in

ADMISSIONS NOW OPEN!

About IBAB

- ✓ An initiative of the Vision Group on Biotechnology, Government of Karnataka, chaired by - Dr. Kiran Mazumdar-Shaw.
- ✓ DIT-Govt. of India Center of Excellence for research & training in Bioinformatics.
- ✓ Well-recognized by the biotech industry in India.
- ✓ Excellent infrastructure (including hostel and state of the art labs) in a 20-acre campus.
- ✓ First class faculty; additional teaching support from leading scientists from academia & industry.

One of the very few Institutes, in the life sciences sector in India with

95 % REAL PLACEMENT RECORD

Examples of companies where IBAB students have been placed:

Accenture, AstraZeneca, Aurigene, Biobase, Biocon, Brickworks, Carl Zeiss, Cellworks, Cognizant, Connexios, Eppendorf, Gangagen, GSK, IBM, Indigene Life Sciences, Infosys, Invitrogen, Medico Labs, Metahelix, Millipore, Molecular Connections, Novartis, Novozymes, Ocimum, Philips, Quintiles, ReaMetrix, Siemens, Simbiosys Biowares, Siri Tech, Strand Life Sciences and TCS.
Many students have also gone abroad to do PhD. *Details at www.ibab.ac.in.*

The combination of teaching capacities, exposure to current research, focus on self-learning capacities, personality development and the modern facilities have helped IBAB to be one of the best training and research centers in bioinformatics and biotechnology in India.

Students in the new batches will also get exposure to the innovative platforms in Next Generation (genome) Sequencing (NGS) & data analysis in the new Bio-IT research and training centre at IBAB.

Applications called for:

Postgraduate Diploma in BIOINFORMATICS OR CHEMINFORMATICS (18 months, 3 semesters including internship)

Eligibility: The subjects are highly interdisciplinary, Science Graduates / Post Graduates with any specialization are encouraged to apply

Postgraduate Diploma in BIOTECHNIQUES (8/14 months, without/with internship)

Eligibility: Graduation / Post Graduation in any life science subject
Scholarships and studentships for deserving students

Receipt of filled forms	Online entrance test	Date of interview	Commencement of Courses
31 July 2010	03, 04, 05 August 2010	25 - 27 August 2010	1 October 2010

Note: Online entrance test can be taken from any place with suitable computer facility.
