

# Indian Institute of Science

Bangalore 560 012

Advt. No. DAE0145

Date: 23 August 2010

Invites applications for a SRF and JRF in a DAE sponsored project.

**Title of project:** Vibration Based Condition Assessment and Reliability Analysis of Existing Engineering Structures.

**Tenure of the project:** 31 March 2013.

**Essential qualification:** JRF – B.E./B.Tech. in Civil/Aerospace or Mech. Engg.

SRF – M.E./M.Tech./M.Sc. in Civil/Aerospace or Mech. Engg or B.E./B.Tech. in Civil/Aerospace or Mech. Engg. with two years of experience in R&D setting could be considered.

**Job description:** The selected candidate has to assist the Investigator in research work and discharge any other duties assigned from time to time.

**Emoluments:** JRF – Rs 12,000 pm (fixed) + 30% HRA

SRF – Rs 14,000 pm (fixed) + 30% HRA

Candidates should send their applications on plain paper furnishing the bio-data, copies of certificates in support of age, qualification, experience, etc., to **Prof. C. S. Manohar**, Department of Civil Engg. Indian Institute of Science, Bangalore 560 012, **within fifteen days** from the date of publication of this issue of *Current Science*.

## National Centre for Antarctic and Ocean Research

Govt of India, Headland Sada, Vasco-da-Gama, Goa 403 804.

Advt. No. NCAOR/42/10

### WALK-IN-INTERVIEW

The National Centre for Antarctic and Ocean Research (NCAOR), an Autonomous Society under the Ministry of Earth Sciences, Govt of India, is looking for prospective candidates for filling up the following position to cater to the requirements of its ongoing Project '**Interhemispheric teleconnection between the Southern Tropical Indian Ocean and Indian monsoon (ISRO-GBP project)**'. The position is purely temporary on contract basis under the project mode, initially for a period of one year but likely to continue for project duration. Candidates fulfilling the eligibility criteria are invited to attend the walk-in-interview at NCAOR on **15 September 2010** (Wednesday) (from 9.00 a.m. onwards).

Sl no	Name of position	No. of position	Qualification and experience	Job responsibilities	Emoluments (Rs)
1	Junior Research Fellow	02	<b>Essential:</b> (i) M.Sc. in Geology/Earth Sciences/ Marine Sciences <b>Desirable:</b> (i) Experience of working on marine sediments	To study past climate using various isotopic and chemical proxies in marine sediment cores/handling instruments like stable isotope ratio mass spectrometer	Rs 12,000 + HRA as per the extant rules

The Advertisement in detail and application proforma are available on the website, please visit NCAOR website: [www.ncaor.gov.in](http://www.ncaor.gov.in)
