

**National Workshop on
'Hands-on Training on Techniques used in Biotechnological Research'
28 February–12 March 2011**

Organized by
**Department of Zoology and Department of Biotechnology and Bioinformatics
North-Eastern Hill University, Shillong, Meghalaya**

Sponsored by
Department of Biotechnology (GOI), New Delhi

Applications are invited from teachers and research scholars of Life Sciences at colleges/universities/institutes for a National Workshop on '**Hands-on Training on Techniques used in Biotechnological Research**' to be held during 28 February–12 March 2011 at North-Eastern Hill University, Shillong. The programme will include techniques used in Molecular Biology and Biotechnology such as isolation of DNA and RNA; Polymerase Chain Reaction (PCR), Reverse Transcriptase-PCR; gel electrophoresis, plasmid isolation and transformation; microbial, plant and animal cell/tissue culture, and bioinformatics. The fee for the training is Rs 6000 for teachers and Rs 3000 for research scholars; the total number of participants would be limited to 20 only. The last date for receiving the application is **15 November 2010**. The detailed instructions and registration forms can be downloaded from the university official website, i.e. www.nehu.ac.in or contact: **Prof. A. Chatterjee**, Program Coordinator, Department of Biotechnology and Bioinformatics, North-Eastern Hill University, Shillong 793 022; Phone: 098630 91372; e-mail: chatterjeeanupam@hotmail.com or **Dr Bela Keshan**, Joint-Program Coordinator, Department of Zoology, North-Eastern Hill University, Shillong 793 022. Phone: 094363 49361; e-mail: bkeshan@hotmail.com.

Aravind Medical Research Foundation (AMRF)

AMRF is a Registered Society, recognized for Ph.D. in Biomedical Sciences by Madurai Kamaraj University and as a Scientific and Industrial Research Organization (SIRO) by Ministry of Science and Technology, Govt of India, calls for application from candidates who completed M.Sc. and Ph.D. degree in any area of Biological Sciences to carry out research on eye diseases in the area of Microbiology, Immunology, Biochemistry, Molecular Genetics, Molecular Biology and Proteomics. Those who have cleared CSIR, UGC, DBT national level tests will be given preference.

Send your applications on-line (muthu@aravind.org) or hard copy to **Prof. V. R. Muthukkaruppan**, Director-Research, #1 Anna nagar, Madurai 625 020, with the following details: Name, Address, e-mail ID, phone number, qualifications, present position and experience, list of publications and names of two persons who could provide us the letter of recommendation.
