Entries for Louis Pasteur Award – 2011

The International Sericultural Commission (ISC), Lyon, France, which is the Inter-Governmental Organization of silk producing countries, has been conferring the prestigious Louis Pasteur Award on persons who have made outstanding contributions to the development of silk industry in their respective countries. The award is given away once in three years to three persons selected from across the globe. The Louis Pasteur Award consists of a Citation and a Medal, which will be presented at the time of the ISC Congresses held triennially.

The Central Silk Board invites applications for the Louis Pasteur Award – 2011 from individual aspirants who are involved with the development of sericulture industry in India. Their applications, on plain paper, should contain:

(a) Bio-data, incorporating name, sex, present position held, present address, date-of-birth, qualifications, experience in the field of sericulture, list of relevant publications, if any (grouped into primary authorship and co-authorship), etc.

(b) Brief self-appraisal, not exceeding 5 pages, chronologically listing their contributions to the development of sericulture industry in India.

(c) A 1-page write-up indicating why they consider themselves fit for consideration to the Award.

(d) A self-certified declaration that the information given is true and correct.

The applications along with all relevant details (also in softcopy) should reach this office not later than **1 November 2010 (Shri K. S. S. Reddy, Scientist-D, Foreign Affairs, Central Silk Board, BTM Layout, Madiwala, Bangalore 560 068, e-mail: kssr@silkboard.org)**. Central Silk Board will forward the short-listed applications to ISC for their consideration to the Award. Applications received after the last date will not be considered. Decisions taken in this regard by the Competent Authority would be final, and no correspondence on the subject would be entertained.
