Advertisement No. 3/2010

The UGC-DAE Consortium for Scientific Research (UGC-DAE CSR) is an autonomous institution established by the UGC, New Delhi with headquarters at Indore and Centres at Indore, Mumbai and Kolkata. This Consortium also has a Node near IGCAR at Kalpakkam. Each Centre is headed by a Centre-Director.

UGC-DAE CSR invites applications for the post of Centre-Director for its Mumbai Centre. This post is in the pay band PB-4 with grade pay Rs 10,000 and carries other allowances as per rules. The gross salary at present at the minimum of the scale is Rs 92,750 including all allowances.

The UGC-DAE CSR has a mandate to enable university scientists to use the big-science facilities of DAE, as accessible. The CSR has also set up, and continues to set up, various state-of-the-art experimental research facilities that university scientists are encouraged to use. Please visit our website: www.csr.res.in. The Centre-Director will provide general guidance to the scientific activities of the Centre towards the broad mission of enhancing the impact of university research. She/he should be a researcher of high standing and reputation, with journal publications showing a high standard of independent research activities. She/he must have at least 15 years research experience after obtaining Ph.D., must presently be having a position which is in PB-4 or equivalent, and should preferably be below 55 years of age.

Appointment of a person may also be considered on deputation.

For other details, please see our website (www.csr.res.in).

ADMINISTRATIVE OFFICER-II

INDIAN NATIONAL SCIENCE ACADEMY

Invitation for Participation in Visiting Scientist Programme 2011

Since 1991, the INSA is supporting scientists from less endowed institutions to conduct advance research and training in advanced research institutions/laboratories within India under **Visiting Scientist Programme**. The main objective of the programme is to facilitate scientist to acquire furtherance of research capabilities for undergoing training in specific techniques, or utilizing facilities not available in their own institution. The scientist holding a regular position in R&D organization including universities or affiliated colleges in India are eligible to apply under the programme. The fellowship period varies from one month to six months depending upon the proposed work or purpose.

Interested persons may download the prescribed application form from the INSA website www.insaindia.org and submit the prescribed application prior to 15 February 2011.
